

COUNTY OF HIDALGO, EMERGENCY OPERATIONS CENTER (EOC)

SUBJECT: AH1N1 Flu (Swine Influenza)

SITUATION REPORT #3a 16:00

DATE AND TIME COVERED: Sunday, May 3, 2009, 07:00 – 21:00

1. **CURRENT SITUATION:** Due to the health emergency that exists in the State of Texas, the Rio Grande Valley and counties directly adjacent to Hidalgo County the Emergency Operations Center has been activated to assist Health Authorities coordinate activities.

As of May 3, 2009, Hidalgo County Health & Human Services has received notification from the Texas Department of State Health Services (DSHS) that **in the County of Hidalgo, there are zero (0) confirmed cases, two (2) probable case and 197 suspect cases.** Suspect is defined as exhibiting ALL of the following symptoms: Fever above 100 degrees, body ache, diarrhea, vomiting, respiratory complications, sore throat and coughing.

	Suspected Cases	Probable Cases	Confirmed Cases
05/01/09	74	1	0
05/02/09	111	1	0
05/03/09 08:30	147	1	0
05/03/09 13:30	197	2	0

Orders have not been issued by the Center for Disease Control and Prevention (CDC) and DSHS for the use of masks for the general public. The only masking recommendations are as follows: For emergency responders, law enforcement, hospital emergency room staff, only, while in the presence of suspected infection. If a patient or client exhibits flu-like symptoms, mask the patient/client in question. This is a droplet borne disease, not airborne. Follow Tuberculosis (TB) protocols and use droplet

precautions. School districts may decide on their own if masks should be used in their schools, but it has not been ordered or recommended by the CDC or DSHS.

Hidalgo County is working with the State, which has authorized the deployment of testing supplies to Hidalgo County for distribution throughout the County. The supplies have not been received by Hidalgo County Health & Human Services as of yet.

Hidalgo County has received antivirals - Relenza & Tamuflu for distribution to Federally Qualified Health Clinics.

Hidalgo County has activated the Hidalgo County Swine Flu Information Hotline, open from 8-5pm, daily. The number is 1-866-613-5277.

The Hidalgo County Prescription Drug Discount Card does provide a discount for Tamiflu & Relenza, with a valid doctor's prescription, at a local participating pharmacy. For more information, contact Hidalgo County Judge's Office, 956-318-2600 or visit the Hidalgo County website: www.hidalgo.co.tx.us.

Mexican Consulate: As of May 2, 2009, there are zero (0) confirmed cases along the Mexican side of the Texas/Mexico border.

School Closures: School closures in Hidalgo County include all campuses in the Weslaco ISD, until May 8th. No other public schools have been closed in Hidalgo County. Our Lady of Sorrows Catholic School in McAllen will be closed until Tuesday, May 5th.

School	Status	Effective	Until
Weslaco ISD (all)	Closed		May 8, 2009
Our Lady Of Sorrows- McAllen	Closed	May 1, 2009	May 5 th , 2009

Hidalgo County Health & Human Services does not recommend cancellation of school or child activities, with the exception of Weslaco ISD. If any child involved in the school or child activity shows any of the flu-like symptoms, send the child home. For districts other than Weslaco ISD, the only school activities to consider cancelling would be those activities involving students with medical special needs, whom are more susceptible to contracting the H1N1 flu.

Texas Department of State Health Services: For general information use the DSHS website: www.dshs.state.tx.us/swineflu.

State Operations Center (SOC): For the SOC situation report, visit the Governor's Division of Emergency Management website: www.txdps.state.tx.us/dem.

United States Health & Human Services (HHS): For national H1N1 Flu information and associated travel alerts, the CDC website is: <http://www.cdc.gov/swineflu/>.
